

## THE SIGNS OF THE TIMES

By Sharon Cravens

Do you not see  
The signs of the times  
Foretold by the prophets of old?

Distress among nations  
Moral decay  
A focus on pleasures and gold.

Sin is abounding  
Consciences seared  
God's word is no longer revered.

His truth is rejected  
Wrong declared right  
Accepted by many and cheered.

Deception is rampant  
Blasphemy common  
Those that are good are despised.

Natural affections  
Are being rejected  
We're urged to support gay pride.

The family unit  
Is being destroyed  
Marriage has been redefined.

Boys are girls  
Girls are boys  
Gender a choice of the mind.

Advances in science  
Are crossing the bounds  
Established by God at creation.

Experiments done  
They quickly explain  
For man's good as their justification.

Satellites, lasers  
Computers and chips  
The powers that be want control.

Agendas prepared  
Alliances formed  
As Satan's influence grows.

Most important  
Of all the signs  
Declared to be part of God's plan.

Descendants of Abraham  
Isaac and Jacob  
Are living once more in their land.

The prophet Ezekiel  
Predicted the rise  
Of dusty dry bones from the earth.

The nation of Israel  
A home for the Jews  
In one day declared its rebirth.

Life is no different  
Than in Noah's day  
He preached and warned in vain.

Mocking and laughing  
They called him a fool  
Til one day the flood waters came.

One day soon  
Millions will vanish  
Taken by God to heaven.

Perilous times  
Will then ensue  
Full of terror, pain and oppression.

Many still try  
But it can't be denied  
God's word is faithful and true.

Turn from your sin  
Be born again  
Experience a life that is new.

Jesus died  
Upon the cross  
He suffered for your salvation.

The choice you make  
To receive Him or not  
Will determine your soul's destination.

Do you not see  
The signs of the times  
Foretold by the prophets of old?

Don't put it off  
Accept Jesus today  
Become safe and secure in His hold.
