

REVELATION TIMELINE as reflected in my journal/personal commentary of The Revelation

This timeline is pictured in 3 parts: from Birth of Jesus through Seal 5; Rapture/6th Seal through Mid-trib; Mid-trib through 2nd Coming. The letters on the timeline (A, B, C, D, E) are explained on the legend that follows.

This line represents last 3.5 years

Antichrist (A/C) breaks covenant, in authority for 3.5 years or 42 months (Rev 11:2)

Remnant of Israel flees & is protected during this time (Rev 12:6)

2 witnesses killed; After 3.5 days -> 2 witnesses raised from dead & raptured (Rev 11:11-12)

Angel will declare gospel to ALL on earth (Rev 14:6-7)

Angel will announce coming destruction of Babylon (Rev 14:8)

Angel will warn world against taking mark of beast (Rev 14:9-11)

Scripturally defined time periods:

A = 70th week = 7 yrs. Tribulation; marked by signing of covenant; purpose to refine & purify remnant of Israel (Dan 9:24-27)

Note: Duration of God's wrath against wicked/His enemies not defined but obviously runs basically concurrent with 70th week

B = Two witnesses minister for 1260 days (11:3); killed at mid-trib; resurrected & raptured 3.5 days later (Rev 11:11-12)

C = A/C breaks covenant, commits abomination of desolation marking mid-point of 70th week (Dan 9:27)

abomination = declaring himself "God" in temple; this event marks Satan indwelling A/C as he did Judas

He will exercise supreme authority for 42 months/3.5 years/1260 days

He will be assisted by false prophet, and both will demonstrate miraculous powers including apparent resurrection from dead of A/C

D = Remnant of Israel flees & is protected for 3.5 years

E = Israel calls for deliverance from Messiah; Jesus returns; A/C and false prophet thrown in hell; Satan bound in pit

Beginning of Kingdom Age which will last for 1000 years

F = Demon locusts torture for 5 months (5th trumpet - I believe toward end of first 3.5 years)

Thinking.....

Seals 1-4 mirror the birth pains described by Jesus in Olivet Discourse

Seal 5 pictures martyrs under altar prior to persecution led by A/C (primarily in last 3.5 years); I believe they are church age martyrs.

Satan released after 1000 years to lead great rebellion followed by Great White Throne Judgment followed by creation of new heavens and earth
